

3/4 Wave Omnidirectional Antenna

Outdoor mounting

ANT868-BZ

Electrical characteristics

Bandwidth	824- 894 MHz
Connector type	N female
Gain	4.15 dBi max
Impedance	50 Ω
Max power	100 W (30°C)

4.15 dBi antenna

Omnidirectional

Shipped with a mast mounting kit

RF connector

Vertical polarization

Mechanical characteristics

Dimensions	Height: 390 mm
Operating temperatures	-40°C / +80°C
Material	Aluminium
Mast diameter	35 - 42 mm
Wind force	17N - 150/180 km/h
Wind surface of exposure	0.01 m ²

About

Application	Outdoor
Certification	CE; FCC; RoHS
